ATTACHMENT A

Property to be Searched

1. The **Target Telephone, (629) 200-5761**, used by James Hayward WILLIAMS, is a cellular telephone operating on the T-Mobile Wireless network. This warrant seeks information about the location of the **Target Telephone** that is within the possession, custody, or control of T-Mobile Wireless, a wireless communications service provider headquartered at Parsippany, New Jersey.

ATTACHMENT B

Particular Things to be Seized

1. All information about the location of the **Target Telephone** described in Attachment A for a period of thirty days, during all times of day and night. “Information about the location of the **Target Telephone**” includes all available E-911 Phase II data, GPS data, latitude-longitude data, and other precise location information, as well as all data about which “cell towers” (i.e., antenna towers covering specific geographic areas) and “sectors” (i.e., faces of the towers) received a radio signal from the cellular telephone described in Attachment A.
2. To the extent that the information described in the previous paragraph (hereinafter, “Location Information”) is within the possession, custody, or control of T-Mobile, T-Mobile is required to disclose the Location Information to the government. In addition, T-Mobile must furnish the government all information, facilities, and technical assistance necessary to accomplish the collection of the Location Information unobtrusively and with a minimum of interference with T-Mobile’s services, including by initiating a signal to determine the location of the **Target Telephone** on T-Mobile’s network or with such other reference points as may be reasonably available, and at such intervals and times directed by the government. The government shall compensate T-Mobile for reasonable expenses incurred in furnishing such facilities or assistance.
3. T-Mobile shall send precision location data to Reginald.Johnson@atf.gov, and other e-mail addresses as directed to include non-governmental e-mails (Gmail, Hotmail, Yahoo, and any other providers not mentioned).
4. This warrant does not authorize the seizure of any tangible property. In approving this warrant,

the Court finds reasonable necessity for the seizure of the Location Information. *See* 18 U.S.C. § 3103a(b)(2).
